Leave "flashers" on when loading and unloading. No parking in the loading and unloading area.

There will be designated parking areas. Exhibitors must observe posted signs and park in the appropriate areas. The parking lots are shared with other facilities and the parking lot next to the unloading area is not available for dog show exhibitors. After unloading, park in the large lot on the opposite side of the building from the unloading area. Dogs may enter and exit the building through the unloading zone only.

Grooming in designated areas only. Exhibitors and handlers will be held responsible for clean conditions in and around their tables. Crates must be stacked. Aisles must be kept clear.

Exhibitors are expected to observe all posted signs and to clean up after their dogs both inside and outside of the building.

The building will be open for setting up Friday night from 7-9 pm. No dogs are to be left overnight as there is no security on site. No private ex-pens indoors. Fenced Potty areas will be provided

Chalking will be a designated area only. There is no chalking allowed in the 'main' building. Please abide so we don't lose our 'new' site. Parking - restrictions - watch closely for signs. The bldg is shared by numerous businesses, so we need to be conscientious of their parking areas.
